

# ASSOCIATE OF GENERAL STUDIES AGS

## Program Description

The Associate of General Studies (AGS) degree is intended to meet individual student needs using a variety of lower division college level courses to meet degree requirements. The AGS degree must include 90 quarter credits or equivalent proficiency, a recognizable core of general education courses, and an established standard of academic achievement. Electives may include any combination of lower division collegiate transfer and/or collegiate level career and technical education courses chosen from the approved list. Although it is not required, students are encouraged to complete the General Education Core and OTM as part of their AGS.

## Program Outcomes

Students who successfully complete the AGS will complete a recognized degree while compiling credits to transfer to another college and university.
