

BUSINESS, ASSOCIATE OF SCIENCE TRANSFER

Program Description

The Associate of Science Transfer in Business follows Oregon State Major Transfer Maps (MTMs), which represent a streamlined path for students transferring from an Oregon community college to an Oregon university, who know which major/bachelor's degree program they want to pursue. In contrast to other statewide transfer tools that prioritize university general education requirements (i.e. AAOT and ASOT), MTMs specify clear course-taking paths necessary for on-track progress towards a specific major/bachelor's degree, with a guarantee of transfer from any Oregon community college to any Oregon public university. For more information see Statewide Articulation Agreement: Major Transfer Map in B ([https://www.oregon.gov/highered/policy-collaboration/Documents/Transfer-Credit/2998/Statewide%20Articulation%20Agreement,%20Major%20Transfer%20Map%20\[Template\].pdf](https://www.oregon.gov/highered/policy-collaboration/Documents/Transfer-Credit/2998/Statewide%20Articulation%20Agreement,%20Major%20Transfer%20Map%20[Template].pdf))usiness (<https://www.oregon.gov/highered/policy-collaboration/Documents/Transfer-Credit/2998/Statewide%20Articulation%20Agreement,%20Major%20Transfer%20Map%20in%20Business.pdf>).

This degree is designed to prepare students for a career that includes the business functions of accounting, management, motivating and managing employees, communication, marketing, a leadership role, and business terminology. This degree prepares students to transfer as juniors to any Oregon State University.

Program Outcomes

Students who complete the MTM in Business will have the knowledge, skills, and abilities to:

1. Explain basic business functions and their integration into the business environment
2. Demonstrate effective oral and written communication skills
3. Apply critical thinking and decision-making skills
4. Distinguish the importance of an ethical work environment
5. Apply information and technology tools relevant to the profession

Career Considerations

MTM in Business degree prepares students for management positions, supervisor, office manager, business manager, customer service manager, social media marketing manager, public relations manager, and other business management focused careers.

Program Course Recommendations

Course	Title	Credits
