

ELEMENTARY EDUCATION, ASSOCIATE OF ARTS OREGON TRANSFER (AAOT)

The Associate of Science, Elementary Education follows Oregon state Major Transfer Maps (MTMs), which represent a streamlined path for students transferring from an Oregon community college to an Oregon university, who know which major/bachelor's degree program they want to pursue. In contrast to other statewide transfer tools that prioritize university general education requirements (i.e. AAOT and ASOT), MTMs specify clear course-taking paths necessary for on-track progress towards a specific major/bachelor's degree, with a guarantee of transfer from any Oregon community college to any Oregon public university. For more information see Statewide Articulation Agreement: Major Transfer Map in ([https://www.oregon.gov/highered/policy-collaboration/Documents/Transfer-Credit/2998/Statewide%20Articulation%20Agreement,%20Major%20Transfer%20Map%20\[Template\].pdf](https://www.oregon.gov/highered/policy-collaboration/Documents/Transfer-Credit/2998/Statewide%20Articulation%20Agreement,%20Major%20Transfer%20Map%20[Template].pdf))Elementary Education (<https://www.oregon.gov/highered/institutions-programs/ccwd/Documents/Transfer%20MOUs/Elementary%20Education%20MOU%20Updates%204.28.22.pdf>).
