BUSINESS

UCC is incredibly proud to unveil our brand new Business degree that is unlike any Business degree in the state! This AAS degree contains a general education core, with a wide variety of Business classes that expose students to various areas within the vast business world. Students build the rest of their degree with micro-credentials in the areas that interest them. Micro-credential options include Financial Services, Bookkeeping, Marketing & E Commerce, Business Technology, Human Resources, Entrepreneurship, Leadership, Accounting and Retail Management. This degree is designed for brand new students who wish to create their own business degree as well as for well-established professionals who wish to increase and improve their business skills. A business career holds multiple career opportunities, and this degree is designed to prepare students for their place in it!

Developed with input from business professionals across the community, this meets both student and industry needs - choose your adventure!

Start with the Business Core then choose to follow any of the certificates listed here, all while building momentum to an Associate's Degree. Make sure to meet with an advisor before or during your first term.
