

PRE-NURSING

Pre-Nursing

The Umpqua Community College Nursing Program has joined with other community college programs and all campuses of the OHSU in a unified approach to nursing education. This coalition of statewide nursing educators and programs is known as the Oregon Consortium for Nursing Education (OCNE). Please visit the OCNE website at <http://www.ocne.org/index.html> (<http://www.ocne.org/>). OCNE schools have comparable prerequisites and application processes for students. Completing the following classes allows for application to the UCC Registered Nursing and Practical Nursing Programs.

Code	Title	Credits
WR 121Z	Composition I	4
WR 122Z	Composition II	4
or WR 227Z	Technical Writing
